

# Accessibility Statement

This is an accessibility statement for Salone Ayurvedico Amarsi.

The Accessibility Statement is the tool through which companies make public the accessibility status of each website and mobile application they own.

Compliance Status: Partially Compliant

The Web Content Accessibility Guidelines (WCAG) define requirements for designers and developers to improve accessibility for people with disabilities. They define three levels of compliance: Level A, Level AA, and Level AAA. Salone Amarsi is partially compliant with Level AA of WCAG 2.0.

Partially compliant means that some parts of the content are not fully compliant with the accessibility standard.

We appreciate your feedback on the accessibility of Salone Amarsi.

Please let us know if you encounter accessibility barriers in Salone Amarsi by emailing: [saloneamarsi@gmail.com](mailto:saloneamarsi@gmail.com)

We will try to respond to feedback within 5 business days.

Making a website accessible is not a point of arrival, but a challenging path that involves every moment of the realization, from the design to the maintenance.

In the belief that the final goal is not only to obtain stamps and certifications from automatic validators but to fully satisfy the needs of users, their feedback is considered fundamental in order to evaluate the real accessibility of the site.
